

Waitrose supermarket sponsored bike ride in September 2019. Amount of money raised by the Waitrose bike ride £1,645.

Volunteering comes from being kindhearted and wanting to make a difference by helping others within your community. It is therefore imperative that we commend and say **THANK YOU** to all those taking time off their busy schedules to lend a hand in helping us in many ways than one to support the needy. Your efforts are worth their weight in gold, giving your precious time, kindness, diligent hard work and talents without any competition. A good example is the Waitrose bikes ride in September this year, which raised £1,645 for the Euston food bank. The Euston

food bank would like to extend a special thank you to Rob and Tom of the Waitrose team. Therefore, we acknowledge your contribution and want you to know that your efforts and support are indispensable. Irrespective of your daily/weekly function which ranges from participating in our four weekly sessions, people making deliveries, collecting recycling, finance or admin, not forgetting our trustees as well. Also, a special thank you to our selfless hardworking coordinator – Dorothea for keeping the Euston food bank running.

JOIN US MAKE A DIFFERENCE BY:

- Donating (cash, food items, cheque and essential items).
- Pick up from various supermarkets if you own a car.
- Volunteering
- Fund raising

We could not thank you enough as we honestly cannot reach our goals without your unwavering support.

The Felix project has been very supportive to our project, distributing food to the centers every Tuesday. Their support has been very immense and complements our drive in supporting the tens, hundreds

GOOD FOOD FOR GOOD CAUSES

and thousands of individuals that grace our doors every week to access basic essential needs including food. We would like to extend our

sincere gratitude and a massive THANK YOU to the management and all the staff, including people who also volunteer with Felix.

SUPERMARKETS WE COLLECT FOOD STUFF & OTHER BASIC ESSENTIALS...

MERCI...

Our operation is only made possible with the generous donations of fresh foods and other essential items by the numerous local supermarkets from which our staffs do collection and pick ups three times a week, collecting tons of food stuff and other. These local supermarkets are shown below: essentials.

CO-OP

Staffs from Easton pick up chilled foodstuff & other essentials from seven CO-OP stores dotted around the community (Queens Park, Adelaide road, Baker Street, Parkway, Archway, Kentish town and Forest). Staffs are very supportive and friendly, ensuring items are prepared to be collected. Quite often, they offered to help carry the items and load them in the pickup car. By so doing, these stores are supporting their organisation's corporate social responsibility (CSR), but most importantly they serve as the lifeline of what we do around the community.

LIDL

Lidl has been providing neighbourly support to the food bank, stocking up foodstuff and basic essentials. Collection days at Lidl are Fridays but they often call the office if they have stuff to be collected on other days of the week and we are very grateful for their generosity and support.

PS: We are in dire need of urgent sponsorship and volunteers for weekly pick up

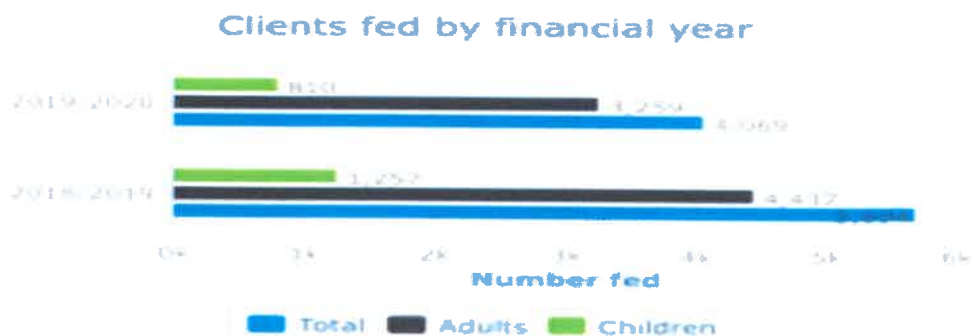

Student volunteers from King Alfreds helped decorating Euston food bank for XMAS but also brought along donations. Great kids... Thank you guys!!!

There has been a consistent increase in the number of people visiting the food bank in the last six months. In total, 4,069 have been fed by Euston food bank within this time period. 810 are children and 3,259 are adults. As we continue to receive tons of food and essential items from our partners, we do experience a

significant shortfall, which inhibits our ability in meeting our targets. The donations we receive serves as a lifeline for the people that visits the food bank. Therefore, we kindly ask for your generosity to provide Euston food bank with any donations that will help people who are in need.

... Clients fed

The Euston food bank will like to recognise all those who in their little way supports us by donating essential items every week.
