mobile telephone during distribution sessions 07400 053 838 but please email as well, as we are a small voluntarily run charity, and cannot always answer every phone call. We are normally open as usual over all holidays.

Last financial year, 2023/2024, we distributed over 60,000 food parcels, of which one third went to feeding children. We regularly see 100 clients on Thursdays, Saturdays and Sundays and around 160 clients on Tuesdays, but this is where we have had to cap our numbers to prevent running out of food. These food parcels feed over 1000 people a week. The main reason clients attended was due to low income, benefit delays and cuts and no recourse to public funds. Demand is rising quicker than ever before, and we are often very short on a lot of essential items, so all support is appreciated.
